

Diva Magnetic Low-Voltage Dimmer w/ Nightlight - Taupe

DVSCLV-600P-TP

SKU: 91599 UPC: 027557510516

Diva from Lutron is a simple and elegant solution designed to match your existing designer opening switches and accessories. This Diva is for use in 600-Watt Magnetic Low-Voltage applications. You can easily turn the lights on and off with the paddle style switch. While the lights are turned on, use the slide control to adjust the lights to your desired level creating your perfect light. The paddle switch returns the lights to your favorite preset level. A soft locator light glows in the off position, making the dimmer easy to find in the dark. Installing a Diva dimmer is easy and saves energy too. Available in 7 Gloss Colors and 20 Satin Colors, your wall controls, wall plates and receptacles become beautiful accessories that let you create, coordinate, accent, blend and balance to express your true style. Compliment your Diva Dimmer and complete the look of your home with Claro screw less wall plates in your favorite Gloss or Satin Color, as well as other coordinating accessories, sold separately.
