

Medium Fusion Micro-Adjustable Tilt Wall Mount, Single Stud

MTMS1U

SKU: 95099 UPC: 841872167756

Installer-inspired Fusion tilt mount solves top flat panel installation problems offering flexible adjustments for medium displays with a low-profile display mounting solution.

This single stud Fusion mount hides better behind smaller narrow bezel displays in the 32-47" range. Many installer-friendly features of Fusion in a smaller form to create superior aesthetic results.

The mount incorporates Fusion favorites like Centris tilt ControlZone leveling adjustment and ClickConnect Latching.

Features:

- Centris low-profile tilt uses the center of gravity to balance the screen while maintaining a low profile
- Tilt can be locked at 0 degree -6 degree or -12 degree
- ControlZone leveling allows post-installation fine-tuning of height and leveling
- ClickConnect offers an audible click when the display safely engages with the mount
- Post-installation lateral positioning
- Set screws keep the mount rigid stable and secure throughout the life of the installation
- Exclusive nesting spacers can be stacked to achieve any depth
- Quick-store cords use magnets to easily store and access pull cords
- Integrated security
- Ships with a custom hardware kit that can be hung from mount rails if installing in stages
- Easy open box with less waste to throw away
