

Surface Mount System for iPad 10.9" (10th gen) - White

70811

SKU: 186311

I PORT Surface Mount is the most elegant way to permanently mount iPad on a wall or solid surface. iPad is contained in a minimalist aluminum bezel that doubles as the central mounting component. iPad stays secure with built-in locking components in the bezel and includes an I PORT PoE+ Adapter and USB-C cable to power iPad. Surface Mount integrates iPad onto any solid surface or wall while maintaining complete access to the iPad power button, microphones and speakers while in the bezel. Available in black and white finishes, Surface Mount is the best iPad wall mount to install iPad on any surface while ensuring it blends into your space.
