## Mini Wireless Door/Window Sensor

MINI-345

SKU: 190111

The elegant, easy-to-use MINI-345 with Bluefield is the perfect wireless security sensor for use at home or work. It offers a clean rounded body, shallow profile, and over a 5+ year battery life.

The Versa Mini is the world's first wireless sensor with Bluefield™ technology. Bluefield™ is a magnetic field LED indicator that illuminates when a magnet comes within range of the sensor.
