Outdoor Cam Plus Plug-In - White

B0D23XCB6C

SKU: 190303

See every moment at its absolute best. Outdoor Cam Plus harnesses the power of Ring Vision to deliver brilliant 2K clarity¹ and color—even in low light. Mount it wherever. Power it however and see it all across your home or business with Ring's best image quality yet. Plus, capture every moment, nonstop, with 24/7 Recording. ^{2,3} Ring Home Premium subscription required, sold separately.

Place it anywhere outdoors: With an easy-to-install mount included in the box, weather-resistant build, and multiple power options, Outdoor Cam Plus goes exactly where you need it most. Mount it in your side yard. Hang it from your porch ceiling. Set it by the grill. Want it indoors? That works, too. Outdoor Cam Plus is built for outside, but ready for anywhere. You can even set up multiple devices all around home and control them in the Ring App.

Features

- See every detail in brilliantly clear 2K with Ring's best image quality yet.
- Reveal true-to-life color and detail in the near-dark with Low-Light Sight. Nearby street lighting is all you need for a clear, colorful view at any hour.
- Mount or place anywhere outside with a weather-resistant design and multiple power options.
- Capture every moment, nonstop, with 24/7 Recording. Your 24/7 footage is saved for up to 14 days, so you don't miss a thing. Ring Home Premium subscription required, sold separately.
- View and respond to activity in HD Video with Live View.
- Get real-time audio with Two-Way Talk from anywhere.
- Get convenient notifications when there's motion.
- Record all your videos, review what you missed for up to 180 days, get Person Alerts, use Smart Video Search to help you find that one moment in all your motion events,⁵ and more, with an eligible Ring Home Plan (subscription sold separately). Link with select Ring devices, allowing them to activate when Outdoor Cam Plus detects movement for additional security, recording angles, and more. Subscription required, sold separately.
