R8Z.2

SKU: 70437 UPC: 819932012544

Introducing the Elura R8Z.2 Red Label Series 8" In-Ceiling Speakers with Zero Edge Grille, a perfect blend of high-performance audio and elegant design. These speakers are meticulously crafted to deliver exceptional sound quality while seamlessly integrating into your living space.

The Elura R8Z.2 Red Label speakers feature a 8-inch polypropylene woofer, engineered to produce rich and accurate sound across a wide frequency range. Whether you're enjoying your favorite music or immersing yourself in a thrilling movie, these speakers ensure clear vocals, detailed instrumentation, and impactful bass for a truly captivating listening experience.

The zero edge grille design of these in-ceiling speakers adds a touch of sophistication to any room. The sleek and seamless integration with your ceiling creates a clean and modern aesthetic, allowing the focus to remain on the immersive audio experience without any distractions.

Elura Red Label is the speaker line that pioneered the quest for a no-nonsense, uncompromised sound, combined with the best aesthetics. Our design team compared the sonic and spectral signature of numerous architectural speakers in the industry, identified their deficiencies, and designed a new platform that ensures the Red Label series provides listeners with a stunning, audible experience.
