Signature 8" 175 Watt In-Ceiling LCR Speaker

C875s

SKU: 170725 UPC: 664254999741

The C875s proves you can get great home theater sound from a system that's hidden entirely in the ceiling. Its woofer and tweeter are angled 15 degrees, so you can mount the C875s directly above the TV screen yet point it at the listeners. The 8-inch Kevlar woofer pumps out powerful, punchy bass.
