

Encode Century Smart WiFi Lever with Latitude Lever - Satin Nickel

FE789WBC CEN LAT 619

SKU: 191156

The Schlage Encode Smart WiFi Lever brings easy and secure access to even more doors throughout your home. Seamlessly control and monitor your home from anywhere when connected to your home's WiFi network and paired with the Schlage Home app, no additional accessories needed. Conveniently schedule up to 100 access codes, view lock history, receive push notifications, pair with Amazon Alexa and Google Assistant for hands-free control, and so much more. It is certified highest in Security, Durability, and Finish by BHMA industry experts and backed by a century of trusted innovation and security from Schlage. It is ideal for garage and side doors or interior doors like offices or guest suites where secure, convent access control is desired - allowing your home to have smart access control inside and out.

Features

- **ADVANCED SECURITY:** Secure, encrypted connection; built-in, customizable alarm for door movement and forced entry attempts; fingerprint-resistant touchscreen; certified highest residential Security, Durability and Finish rating by BHMA industry experts
- **PEACE OF MIND:** Lock and unlock from anywhere, mange up to 100 access codes, view lock history, receive customizable notifications and easily manage multiple locks at once - all when paired to the Schlage Home app and connected to a secure WiFi network
- **ANYWHERE ACCESS:** With built-in WiFi compatibility, you can easily and securely connect your Schlage Encode Smart WiFi Lever to your home WiFi network to control and monitor your home from anywhere with the Schlage Home app
- **WARRANTY:** Limited lifetime mechanical and finish warranty and 3-year electronics warranty
- **BATTERY-OPERATED:** Uses four AA batteries (included); up to six months of battery life with typical use; low-battery indicator on lock touchscreen and in Schlage Home app provides advance notice; one (1) physical backup key included
- **SECURE AND STYLISH:** Available with traditional and contemporary styles in multiple finishes, the Schlage Encode smart lever offers premium quality and craftsmanship to complement a variety of homes and personal styles
- **COME AND GO WITH EASE:** Auto-lock can relock the door for you with various time delay options in the Schlage Home app; convenient, control buttons on the interior of the lever let you quickly put it in an unlocked state for easy, frequent use
- **EASY INSTALL:** Install in minutes with just a screwdriver, no hardwiring required; reversible levers fit right and left handed doors; fits standard doors with 1-3/8 in. to 1-3/4 in. door thickness and 2-3/8 in. or 2-3/4 in. backset.
