98930-001

SKU: 174735 UPC: 883351793407

Kwikset smart locks with Home Connect™ technology provide a smarter way to expand security and home automation systems to a complete line of wireless-enabled door locks. Control the lock from anywhere using a smart phone, tablet, or internet-connected device through a smart home hub

Features

- SmartKey Security™, which protects against advanced break-in techniques and allows you to re-key your lock yourself in seconds.
- SmartKey Security™ re-key technology is compatible with Kwikset (KW1) keyway or (SC1) keyway options
- ANSI/BHMA grade 2 certified
- Latch has adjustable backset 2-3/8" to 2-3/4" to fit all standard door preparations
- Includes round deadbolt strike
- 1 inch deadbolt throw
- Locking mechanism functions with turn piece on the interior of the lock
- Keypad stays lit for 30 seconds after inactivity
- Expanding your security system solution with Home Connect technology, your keyless entry lock will now communicate wirelessly to security and home automation systems via Z-Wave
- Multiple pre-defined Auto-locking settings available
