## 8 Zone V-Plex Expander

4208EX

SKU: 170106    UPC: 781410055155

The 4208EX is an eight-zone expander that allows the use of available expansion zones on Honeywell Home VISTA controls that support V-Plex® polling loop devices. This V-Plex Expander is ULC Listed for high security burglary and fire monitoring applications.

### Feature

- Can be used on controls that support V-Plex
- Can be optionally powered from an external DC power supply to reduce the amount of current draw from the polling loop
- Uniquely identified eight EOLR supervised zones
- Each zone is identified by a unique serial number, which is assigned via on-board DIP switches
- Detects faults on all zones within 400ms of occurrence
- Loops A & B can be programmed for fast (10ms) response
- Provides cover tamper protection, which may be enabled or disabled via onboard DIP switches
