

12 Space CWR Series Data Swing Wall Rack, 22" Deep

CWR-12-22PD

SKU: 63365 UPC: 65674711283

Specifically designed for structured cabling, the CWR is a versatile system for mounting multiple patch panels and other voice/data equipment where floor and wall space are at a premium.

Features

- Welded steel construction for strength
- 26" width provides extra space for cables and patching
- Comes standard with adjustable wide-face rackrail
- Locking swing open center section for front and rear access
- Includes a locking/latching plexi front door for added security
- Front door can be easily reversed for left or right hand swing
- Engineered for passive thermal management; optional fan kit available
- Bag of 50 mounting screws included
