

New Construction Ring for FAP42T Speaker

FAP42-TR

SKU: 25089 UPC: 612079180059

Use model FAP42-TR for new construction drywall ceiling applications. This unit provides a marked location for drywall installers to cut around, essentially reserving the desired location in the ceiling until final installation of speaker. Mounting holes are provided to accommodate 16" or 24" OC stud/joist mounting.

Features

- Designed to Install Before Drywall Ceiling is Installed
- Galvanized to Prevent Rust
- Matches Both 16" and 24" Centered Ceiling Joists and Hat Channels
- Saves Time in Identifying Prewire Location
