CAR-15-GFST-AL

SKU: 61137 UPC: 784276159517

Coordinate your lighting controls and switches with receptacles to complement your decor. This receptacle has a test/reset button but also automatically checks every 30 seconds to see if everything is functioning properly. There is an LED indicator that will turn red if the unit is no longer working as it should. There is also a tamper resistant shutter mechanism to prevent someone from sticking something into the receptacle and causing injury. Installing a receptacle is easy and can be done in as little as 15 minutes. Coordinating wall plate not included.

Features:

- 15-Amp duplex receptacle
- Tamper resistant shutter mechanism
- Test/reset button automatically checks every 30 seconds to ensure the unit is functioning properly
- Coordinates with decorator-style dimmers and switches
- Coordinating wall plate not included
